

Window System Administrator Lead

About the Education Achievement Authority: The Education Achievement Authority is a new statewide school system that will assume operation of the lowest five (5) percent of performing schools in the state of Michigan that are not achieving satisfactory results on a redesign plan or that are under an Emergency Manager. It is designed to provide a new, stable, financially responsible set of public schools that create the conditions, supports, tools and resources under which teachers can help students make significant academic gains. It will first apply to underperforming schools in Detroit in the 2012–2013 school year and then be expanded to include low performing schools throughout Michigan.
